

Now I'm Sad

Down in the basement

unpacking a box

labeled Matt- first grade-1976

I find a "God Made Me" folder

where my son filled in the blanks:

My name is Matthew.

I am six years old.

I have a pet dog.

I laugh when I am tickald.

I am happy when it's Chrismis.

My wish is I do not want to get hert.

Sometimes I am sad because my Father gets mad.
